**Blair Hansen & Company**

**401(k)/403(b)/457 Reviews**

BHC conducts a thorough review of current employer retirement plans to determine if the client has chosen the appropriate investments in accordance with their risk tolerance and investment goals. Although employer plans may have limited investment selections, we want to make sure that our clients choose the options that maximize their benefit from the plan. In addition, we review the details of the plan to ensure the client is getting the maximum benefit from employer matching.
